(3) " Asogodu and Sokke	...	300	"

The supplies will have to be made at intermediate points in between the abovementioned places along the routes of the Transmission Lines in question, as per time-to-time requirements of the Transmission Line Inspectors in charge of the works; and the quantities noted above are approximate and subject to 5 per cent variation on either side. Intending tenderers may (before quoting) ascertain from the Assistant Superintendents of Lines, Tiptur and Shimoga, the exact routes of the Transmission Lines and the probable intermediate points at which supplies would be required, and quote their lowest rates (both in words and figures) for delivery of the material at such intermediate points in between the abovementioned places. and their rates should be firm until the quantities required for the entire works are fully complied with. No enhancement of rate will be granted for whatever causes, when once the quotation is accepted and orders are placed.

Each tender should be accompanied with a sum of Rs. 100 (rupees one hundred) only, as earnest money for the satisfactory execution of the contract in accordance with the terms and conditions herein specified.

Supplies will have to be effected as per instructions of the Transmission Line Inspectors in charge of the above works, according to the requirements of the works, within reasonable time limits which will be specified by the respective Transmission Line Inspectors.

Withdrawal from the quotation after it is accepted or failure to effect supply within the stipulated time, etc., will entail cancellation of the contract, forfeiture of the earnest money and purchase of the material from other agencies at the risk and expense of the original accepted tenderers.

Supply on this tender will be subject to the general conditions of contract prevailing in the Department for local purchases.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

The tenders should be superscribed "Tender for the supply of jelly to be opened at 3 P.M. on 30th April 1948".
